

How to Renew

1. Tap on **Shelf** on the bottom of the screen of your reading.
2. Tap on **Renew Loan**.
3. Tap on **Renew!** on next screen.
4. Titles that have been renewed will appear on your **Shelf** immediately to read. Titles are normally available to be renewed 3 days before the due date.
5. If the item has a hold on it you will be placed in line in the appropriate place.

Note: Titles too early to renew will be also given the message in how many days one can renew. For new holds, you will receive a courtesy y email to the email address on your account when the hold is ready to borrow. When a hold becomes available, it will be borrowed for you automatically, as long as you are not at the loan limit on your library card and automatic check-out is turned on. When your first check-out expires you will receive an email to borrow the title again. Follow the normal check-out process.

Return Early

1. Tap on **Shelf**.
2. Tap **Return Title to Library** .
3. Tap **Return**.
